Hydro Intensive Galvanic..... 1h30...R420

Highly effective treatment offers an intensive boost while balancing and rejuvenating the skin. Galvanic application aids in deeper product penetration.

Specialised Exfoliation

Fruit Acid Peel - AHA 20% pH3.4.....R420

This blend of naturally-occurring fruit acids is highly effective as an intensive exfoliation and skin boosting treatment. It can also be used to refine the texture of the skin, resulting in a smoother texture with a radiant complexion. Also recommended as a course of treatments during winter.

Fruit Acid Peel - AHA 50% pH3.2.....R420

This blend of naturally-occurring fruit acids is highly effective as an intensive exfoliation and skin boosting treatment. It can also be used to refine the texture of the skin, resulting in a smoother texture with a radiant complexion. Also recommended as a course of treatments during winter.

Lactic Acid Peel - AHA 30% pH3.0.....R420

Lactic acid is a naturally-occurring acid that has the ability to revitalise the complexion.

Similar in principle to the Fruit Acid Peel, though more intensive, it is intended as a booster treatment. Highly recommended for clients who suffer from hyperpigmentation, acne/asphyx skin and mature skin, as an anti-ageing treatment. Ideally this Lactic Acid Peel is performed as a course of 3 or 6 treatments during the winter months.

Hydroxy Acid Peel 30% pH3.2.....R420

This peel contains a blend of alpha hydroxy acids as well as beta hydroxy acids, making it ideal for all skin types. It increases cellular turn-around time and boosts radiance. Salicylic acid has been added to provide additional benefits such as reduction in fine lines as well as the effect of exfoliation within the sebaceous glands, preventing congestion.

Aspirin / Disprin allergies is a contraindication.

Salicylic Acid PeelR385

This effective exfoliation incorporates a mild salicylic acid derivative, with the addition of ultra-fine dissolving granules. Leaves the complexion ultra-smooth, with a brightening, anti-inflammatory effect. Particularly useful for oily, congested or environmentally damaged skin.

Facial Add-Ons

Firming Eye Treatment.....R140

Filmogenic treatment which remineralises delicate skin around the eyes.
Intense hydration, anti-ageing action.
Alleviates puffiness, tired eyes and loss of firmness.

Booster Masque.....R105

A film-forming masque assists in increasing the penetration of actives used before application. An add-on to fruit acid peels, hydro-intensive gel therapy or aromatic facial. Skin feels remarkably smooth with a radiant glow.

Salicylic Acid PeelR60

High Frequency (Single).....R105

High Frequency (10x Sessions).....R700
